Dear Pastor / Leader:

We at the Healing Rooms of Grand Rapids (part of Healing Rooms Ministries) are desirous of including more of God's Saints on our Team. We need volunteers in several areas. Helps Team, Office Staff, Intercessors, Ministry Team, Trainers, Administrations etc...

We wish to be inclusive as possible, however we are aware that there are different levels of consecration and maturity required for each of the above mentioned positions. Putting someone in the wrong place at the wrong time can be injurious to the volunteer, the ministry and possibly those who come to receive ministry.

We have a multiple level training program for those who desire to be on our ministry prayer team. This allows for a safe training period. Those who desire to join the ministry team will be closer to the front lines. As a result of this, they may come under additional attention of the enemy. So it is very important that they are on a solid foundation of faith, and that no serious character issues, or sin issues are present.

We believe it is crucial that they be covered under the authority of the local church. The local church will benefit greatly as these volunteers get steeped in the Word of Healing and practice the word of ACTS not just here in the Healing Rooms, but also in their respective home churches.
